

DOUBLE YOUR IMPACT

A generous partner is matching your donations until we reach our goal!

VaporMinistries.org/covidbridgefund

By God's grace and the generosity of amazing donors, we have been able to not only sustain core humanitarian services (*clean water, critical care grants, food provision, and much more*) and gospel proclamation efforts through our centers, but also respond quickly to the human crisis spawned by the pandemic. From health screenings and medical treatments to food and water delivery, all while sharing the gospel, our teams are reaching deeper into the communities we serve every day making sure that the unseen do not become the forgotten. Donate today and double your impact!

Meet needs. Feed souls. Elevate God.

100% of donations given to Component 1 support Vapor Ministries' ongoing, life-saving ministry work in Kenya, Togo, and Haiti, and unique expansion of this work to respond to the economic and public health crisis that COVID-19 poses in deeply impoverished places.

Component 2 is funded and will allow long-term viability of Vapor Ministries given the severe stateside economic impacts of COVID-19.

Please note that the situation is evolving daily and we are responding in real time. The figures in this table are a high-level outlook based on our current ministry budget, information we have today, and our outlook on the evolving COVID-19 situation. Within the overall stated uses of this fund, Vapor Ministries retains the right to reallocate funds as needed to optimize response, excepting cases where a specific sub-restriction is requested.

We invite you to prayerfully join our efforts and sow in as you can, towards the final amount needed to fully fund these efforts. Please reach out to us if we can answer any questions. God bless you! Stay safe, we are praying for you!
